TASTING NOTES

Trophy for Champion Export Wine - The National Wine Awards Aotearoa New Zealand 2026
Gold Medal - The National Wine Awards Aotearoa New Zealand 2026
Gold Medal - New Zealand International Wine Show 2026

Mount Riley has long been one of Marlborough's most reliable producers for quality and value, and their Limited Release

range takes things up another notch. This premium Sauvignon Blanc has already picked up two Gold Medals, at the 2026 New Zealand International Wine Show and National Wine Awards Aotearoa. At just $17.99, it's a seriously impressive package, delivering the concentration and complexity of a much more expensive Sauvignon Blanc.

This is predominantly an export label, not generally available in New Zealand.

Sourced from selected vineyards in Marlborough's Southern Valleys, this is a beautifully expressive Sauvignon Blanc bursting with passionfruit, feijoa, kaffir lime and delicate floral notes. A small portion fermented in large neutral oak barrels adds extra texture and weight without compromising that signature Marlborough freshness. Rich, vibrant and wonderfully balanced, with impressive length and a mouthwatering finish. A real crowd pleaser!

Winery notes (2026 Vintage)
"The wine was made from a selection of our most expressive sites from the 2026 vintage. The fruit was sourced from Southern Valleys sub-region in Marlborough which tend to express elegant and textural wines. The juice was then fermented with a variety of aromatic yeast strains in stainless steel tanks at cool temperatures to retain vibrancy and freshness with 15% fermented in 500L neutral barrels for added weight and complexity

A complex and powerfully expressive nose showing passionfruit, feijoa, kaffir lime and white floral aromas. A wine of striking fruit purity and concentration with fresh but balanced acidity and great length of flavour."

5 Stars & 95/100 Sam Kim, Wine Orbit, May 2026 (2026 Vintage)
"This is instantly appealing on the nose, showing passionfruit, feijoa, lime zest, and jasmine aromas, followed by a splendidly flavoursome palate filled with juicy fruit intensity. Wonderfully expressed with loads of tasty flavours. At its best: now to 2029."
