TASTING NOTES

Trophy for Champion Other White - Marlborough Wine Show 2026
Gold Medal - Marlborough Wine Show 2026

Albariño continues to go from strength to strength in New Zealand, and Nautilus is among the producers showing just how well this Spanish variety can perform in Marlborough. Their brand new 2026 release has already picked up a **Trophy at the Marlborough Wine Show**, and at our special price of **$22.99**, it represents excellent buying.

Nautilus was relatively early to the variety, planting their first Albariño vines back in 2011, and that experience certainly shows in the glass. A delicious addition to the summer wine rotation!

Grown in the estate's Renwick vineyard, this is a wonderfully fragrant and vibrant wine bursting with white peach, mandarin zest and a hint of sea spray. The palate is juicy and beautifully textured, with ripe stone fruit flavours, refreshing citrus acidity and a delicate saline character that carries through to a long, zesty finish. There's a lovely balance of fruit and freshness here,

making it particularly appealing alongside fresh seafood, summer salads or simply enjoyed well chilled on a warm afternoon.

Winery notes (2026 Vintage)
"Fragrant and vibrant, the 2026 Nautilus Albariño opens with aromas of white peach, mandarin zest, and a subtle hint of sea spray. The palate is bright and expressive, showcasing juicy stone fruit flavours complemented by a gentle saline character and fine texture. Crisp acidity carries the wine through to a long, zesty finish, capturing the variety's hallmark freshness, energy, and vibrancy.

This single-vineyard wine comes from our Renwick vineyard, where we planted our first 0.83 hectares of Albariño in 2011. A further 0.54 hectares were planted in 2020. Each block was machine harvested separately using a destemming harvester before undergoing a short period of skin contact prior to pressing. The juice was then racked, clarified, and cool fermented in stainless steel using an aromatic yeast strain. Following fermentation, the wine spent a short period maturing on yeast lees before bottling."

90/100 Stephen Wong MW, The Real Review, October 2026 (2026 Vintage)
"A brightly fruity wine with sweet pear and sauvignon-like flavours of passionfruit. A touch of sweetness on the off-dry finish offsets the zingy acidity. Perhaps not the most varietally distinct example of the variety presently but this is well-balanced and will develop more character in bottle once it sheds some of its fermentation esters."
