TASTING NOTES

15 Minute Bottles is a collaboration between two families, David Collins and Lana Kennett, and Tom Lascelles and Anne Kirsch. The project came about in Europe, when their paths crossed while Tom was working for Austrian, natural wine superstar, Claus Preisinger. With both couples coming back to New Zealand in 2021, they saw an opportunity to produce here the style of energetic, approachable natural wines they'd loved in Europe. With one family based in Canterbury, and the other in Central Otago, their intention is to produce multi-regional wines that are unfinned, unfiltered with minimal added sulphites. David best explains the reason behind their name, 15 Minute Bottles -

"It's rooted in the fun, energetic, thought provoking wine we fell for while in Europe. When we drank a banger, we would call it a '15 minute bottle' because it didn't hang around for long (enjoyed responsibly with a large group of friends of course)."

Winery notes (2025 Vintage)

"Pinot Noir from Church Rd in Waipara. 10/5 planted on their own roots in 1992 and are currently in conversion with BioGro. Gently direct pressed, fermented in a mixture of stainless steel and neutral oak for one year, bottled with the addition of 2026 fermenting juice to 16g/l residual sugar before fermenting dry to wonderful balance and poise. Clean and pure, acid driven, smashable. Unfinned and unfiltered. Minimal added sulphites."
