TASTING NOTES

Notes for the previous 2024 release below...

Producer notes (2024 Vintage)
"If you love feijoa as much as we do, our Feijoa and Riesling Co-Ferment is a banging addition to your summer drinks line up.

We've been playing around with this blend for the last few years, refining year on year. 250 kg of riesling and 100 kg of feijoas, sourced from a couple of different sites a stones throw apart on the south bank of the Waipara river. Both direct pressed, co-fermented in neutral oak. Settled and stabilised over the winter, bottled in the spring with the addition of frozen juice to reach 13 g/l residual sugar before fermenting dry in bottle. Only 290 bottles were made.

Effervescent, boldly fragrant and textural."
