TASTING NOTES

42 Below's signature vodka, made with the pure softness of New Zealand spring water. It's a pure, crisp vodka, distilled three times, washed in spring water and distilled a fourth time to create a totally pure spirit.

drinksbiz Magazine

"Founded by Kiwi Geoff Ross in 1999, this New Zealand vodka brand became a cult hit. The name refers to it being made on the 42nd parallel (i.e. at a latitude of 42 degrees below the equator). This trail-blazing New Zealand vodka is distilled four times and filtered 35 times through charcoal. It has a floral hint in the aroma, and is delicate, smooth and clean on the palate with a subtle sweetness."
