TASTING NOTES

Brewery Notes

"Get ready to hop into a crate-smashing, wumpa-grabbing, crystal-collecting adventure with this belter from the good folks at 8 Wired. They've stuffed this one to the brim with a dazzling array of hops for a huge burst of bright citrus and pine, all balanced out with a super smooth and crisp finish. Watch out, it packs more punch than your average butt-kicking bandicoot!"
