TASTING NOTES

One of the most well-known vodkas in the world, Absolut is a Swedish Vodka made exclusively from natural ingredients.

drinksbiz Magazine, February/March 2024

Arguably one of the best known and most distinctively packaged vodkas on the market. There is a wide variety available within the Absolut range but the first was Absolut Original, which has a clean, rich flavour. It's smooth and mellow with a distinct grain character and a hint of dried fruit.
