### TASTING NOTES

Champagne Achille Prancier dates back to 1901, when Bennoni Mansard produced his first bottles. Today, Maxime Mansard continues the family legacy, working with old vines—including parcels planted in 1930—across 24 hectares and 10 villages. Drawing on Chardonnay, Meunier, and Pinot Noir from varied soils, his Champagnes balance heritage, depth, and precision.

#### Winery notes (NV)

"Achille Prancier is made using only the first press juice to ensure finesse and purity. This approach allows careful quality control of both base and reserve wines. Ageing takes place slowly in traditional cellars at a natural, constant temperature. It is bottled with a dosage of 9 g/L.

Supremely elegant and enticing with nectarine, Gala apple, white floral and golden pastry aromas. It is impressively concentrated in the mouth offering creamy texture and seamless flow, well-supported by bright acidity."
