TASTING NOTES

A new addition to our 'Value European Corner'. We are always on the lookout for wines that are easy on the pocket but offer great drinking and this ticks the boxes.

A tasty red blend the local grape varieties of Castelão and Aragonês (Tempranillo) from an area in the hills of Montejunto Estrela just north of Lisbon.

This is an easy drinking, anytime wine filled with dark brambly fruits, floral notes and a generous mouth feel. On the palate there is a nice bit of spice to keep it fresh and interesting. It tastes like real wine, not a manufactured potion. For just \$15.00 this is a tasty, value packed winner!
