TASTING NOTES

Gold Medal & 95/100 - New World Wine Awards 2021 & 2022

Winery notes (NV)

"The wine has a beautiful salmon pink colour with a delicate and lingering sparkle. The bouquet presents a great aromatic richness and notes of red fruits of strawberry and raspberry. The palate is characterized by a nice unctuousness and a well-balanced acidity ending with a lingering and refreshing finish."

95/100 NWWA 2022, Judges Comments (NV)

"French winemakers have long perfected the art of making sparkling wines at every level. This charming Rosé from France is elegantly expressed with red apple, citrus peel and subtle spice aromas, combined with a richly textured mouthfeel, finishing delightfully dry and lingering. A splendid aperitif with platters and small bites, and an excellent bubbles to partner mild cheeses."

4 ½ Stars Michael Cooper (NV)

"Bright pink, this blend of chardonnay, chenin blanc and pinot noir was grown in southern France and bottle-fermented. Full of personality, it is medium-bodied (12.5% alc/vol), with vivacious, strawberry, slightly peachy and spicy flavours, yeasty notes

and excellent complexity and harmony."

Gold Medal & Number 4 - Best Sparkling Wine for Christmas - Yvonne Lorkin, Dish.co.nz, November 2023 (NV)

"Made in the traditional method from Chardonnay, Chenin Blanc and Pinot Noir grown in the Limoux region in Southern France, this mouthfilling charmer shows soft pear and red apple complexity, pillowy mousse, clean cashew and soft berry notes, suede-like textures and excellent length."

91/100 Sam Kim, Wine Orbit (NV)

"Gorgeous pale apricot colour; the inviting bouquet shows white peach, mandarin, floral and strawberry, followed by a beautifully rounded and silky palate. The wine offers lovely persistency and terrific drinkability."

90/100 Cameron Douglas MS, November 2021 (NV)

"Enticing aromas of light red fruits with strawberry and red plum, cherry and white rose. There's a fine autolysis seam adding depth and some complexity. Flavours are mirrored on the palate carried by a fresh mousse texture and acidity. Balanced and well made with great drinking form today and through 2024."
