TASTING NOTES

Brewery Notes

"Our Full Stop Single Hop series rolls on with a juicy monster from New Zealand Hops. Part of the Bract Brewing Programme, NZH112 brings so much sticky stonefruit, sunny citrus & mouthwatering passionfruit it's sure to stake its place in hopdom! This one is bright, medium-bodied with masterfully-balanced bitterness, plus there's a delightfully dank & satisfying thread throughout drawing you on to the next mouthful."
