TASTING NOTES

Winery notes

"Make this your go-to-wine when you want the taste of a flavoursome Rosé, without the alcohol. Ara Zero Rosé is first crafted as a full-strength wine. We then distil off the alcohol to leave behind a classic Rosé bursting with flavours of strawberry, lime, and guava with crisp citrus.

Dry, delicious, and fresh with crisp citrus, tropical, and berry notes, this wine has all the flavours you've come to know and love from a Marlborough Rosé with the alcohol gently removed. We chalk that all up to a refreshing, low calorie, non-alcoholic wine. "
