TASTING NOTES

Winery notes (2025 Vintage)

"Albariño is the famous white grape variety of the Atlantic coast of Spain and Portugal — particularly the Rias Baixas region in Galicia. Albariño thrives in the temperate and maritime Marlborough climate. Albariño is a new grape variety in New Zealand, with the first plantings in 2009 and our first harvest, from a Galician clone, in 2013.

Aromas of stone fruit and ripe citrus with some vanilla notes. A fresh, lively palate with white peach and tropical flavours, medium body and length and a chalky, mineral finish.

Hand picked and whole bunch pressed. Fermented on grape solids with a selected yeast strain, and aged on lees. Half was fermented and aged in a stainless steel tank and the other portion in old French oak puncheons which went through malolactic fermentation with barrel stirring."

Rated Excellent & 93/100 Cameron Douglas MS, February 2026 (2025 Vintage)

"Ripe, fruity and very modern expression led by scents of fresh yellow peach then grapefruit, there's a light sea spray and mineral seam that gets stronger as the wine opens out in glass. Flavours of fresh stone fruits and meyer lemon, yellow and white flowers, honeysuckle and lemon drink then a seam of salinity is driven through the palate by the acid line. Fruity, ripe and rather delicious, a wine that is very young still and will benefit from cellar time, best drinking from early 2027 through 2031+."
