### TASTING NOTES

Atípico is a labour of love and care from 2016's New Zealand Young Winemaker of the Year and Rock Ferry winemaker Jordan Hogg. It is made of small parcels from exceptional and distinctive vineyards, gently guided by hand, and true to its name, unburdened by convention.

#### Winery notes (2023 Vintage)

"North facing clay hillside, whole cluster skin fermented Sauvignon Blanc, aged in seasoned oak for 15 months, certified organic."
