TASTING NOTES

On the site of Marlborough’s first vineyard and winery established in 1873, Auntsfield run by brothers Luc and Ben Cowley quietly produce some of Marlborough's best. With Sauvignon Blanc they strive to produce a distinctive style of Sauvignon Blanc. The style is aimed towards texture, complexity and length, balancing the typical Marlborough fruit spectrum and aromatics with richness and mouth feel. That is, a delicious Sauvignon Blanc!

Winery notes (2024 Vintage)
"Auntsfield continues the proud heritage of Marlborough’s first vineyard and winery established in 1873. Our Single Vineyard wines are made from grapes grown at Auntsfield Estate. Each wine shows the distinctive characteristics of ripeness, texture and minerality – qualities unique to the ancient Greywacke rock and Loess clay soils of the vineyard.

Sauvignon Blanc – Auntsfield Estate aims to produce a distinctive style of Sauvignon Blanc. The style is aimed towards texture, complexity and length, balancing the typical Marlborough fruit spectrum and aromatics with richness and mouth feel.

Lifted and pure aromas of fresh passionfruit, ripe citrus and lime. Notes of dried herbs, lemongrass, papaya and jalapeno add pungency and intensity to the aromatics. Powerful, tight and elegant. This wine displays intense ripe fruit flavours of passionfruit juice and white peach, with citrus notes of lime and mandarin pith. The palate has intense concentration and generous weight, balanced by an underlying minerality and tight structure to shape a wine with lively tension and textural balance."

5 Stars & 96/100 Sam Kim, Wine Orbit, September 2024 (2024 Vintage)
"It's pristine and fabulously aromatic on the nose, showing Granny Smith apple, white flesh peach, garden herb and lemon sorbet characters. The palate delivers excellent weight and intensity, wonderfully framed by saline texture and bright acidity, finishing impressively long and structured. At its best: now to 2036."

94/100 Erin Larkin, RobertParker.com, December 2024 (2024 Vintage)
"The 2024 Single Vineyard Sauvignon Blanc leads with a complex nose of sweet pea, cassis bramble, gooseberry, elderflower, preserved citrus and brine. In the mouth, the wine is concentrated and detailed, with fresh energy and zip ensconced in textural folds of phenolics. This is a gorgeous wine and comes highly recommended."
