TASTING NOTES

Auntsfield is one of Marlborough's true treasures, with a winemaking history stretching back to the region's very first vineyard in the 1800s. Today, brothers Luc and Ben Cowley continue that remarkable legacy, quietly producing some of Marlborough's most impressive wines from their estate in the Southern Valleys.

Auntsfield has long been one of our favourite Marlborough producers, making Sauvignon Blanc with a level of texture, depth and sophistication that sets it apart from the crowd.

The excellent 2026 growing season has delivered another outstanding wine, already earning **95 points and an Outstanding rating from Cameron Douglas MS**. And at our **special price of just $15.99**, this is exceptional buying for a premium single vineyard Sauvignon Blanc from one of Marlborough's finest producers.

This is a beautifully concentrated and expressive Sauvignon Blanc that goes well beyond the typical Marlborough style. Lifted aromas of passionfruit, citrus blossom, lime and fresh herbs lead into a generous palate packed with ripe white peach, grapefruit and tropical fruit. Extended lees contact brings lovely texture and weight, while a distinctive mineral, saline character keeps everything fresh and beautifully balanced. Rich, vibrant and wonderfully long, this is Sauvignon Blanc with a

real sense of place and personality.

With plenty of surplus Sauvignon Blanc in the market, there's never been a better time for wine lovers to snap up world class examples like this at prices that would have been unthinkable just a few years ago!

Winery notes (2026 Vintage)
"Auntsfield continues the proud heritage of Marlborough's first vineyard and winery established in 1892. Our Single Vineyard wines are made from grapes grown at Auntsfield Estate. Each wine shows the distinctive characteristics of ripeness, texture and minerality - qualities unique to the ancient Greywacke rock and Loess clay soils of the vineyard.

Sauvignon Blanc – Auntsfield Estate aims to produce a distinctive style of Sauvignon Blanc. The style is aimed towards texture, complexity and length, balancing the typical Marlborough fruit spectrum and aromatics with richness and mouth feel.

Lifted and pure aromas of fresh passionfruit, citrus blossom and lime. Notes of dried herbs, peach skin, and papaya add vibrancy and intensity to the aromatics. Powerful, tight and elegant. Intense ripe fruit flavours of passionfruit and white peach, with citrus notes of lime and floral grapefruit. The concentration is considerable and the weight generous, held in shape by an underlying salinity and tight pith structure that give the wine lively tension and textural balance."

Rated Outstanding & 95/100 Cameron Douglas MS, October 2026 (2026 Vintage)
"Fantastic bouquet and palate with layers of white fleshed orchard fruits and citrus, there's a sweet ripe lime quality and core mineral quality suggesting river stone and pebble. Complex, taut, dry and fruity led by flavours of grapefruit then apple and peach. The mineral suggestion carries through the palate seamlessly. The frame of acidity and fine fruit tannins along with lees and a touch of fruit spice offer complexity as well as texture. Delicious wine with best drinking from late 2025 through 2029+."

5 Stars & 95/100 Sam Kim, Wine Orbit, September 2026 (2026 Vintage)
"Wonderfully fruited with purity and power, showing passionfruit, kiwifruit, apricot, and lime peel aromas. The palate delivers excellent concentration, a refined texture, and beautifully pitched acidity, making it superbly structured with a sustained, satisfying finish. At its best: now to 2036."
