TASTING NOTES

Winery Notes (2023 Vintage)

"This Central Otago Riesling is a tribute to the gold-seeking quartz reef miners affectionately known as 'reefers' and their unrelenting graft for a better life.

The Bannock Brae Reefers Riesling is grown in Central Otago terraces of sandy loam and alluvial gravels that overlie schist bedrock. The grapes were hand-picked and after whole bunch pressing the juice was fermented at cool temperatures in stainless steel. The resulting wine was left on its fermentation lees for 6 months to develop texture and length on the palate.

Citrus peel, white florals and fresh ginger aromas. Crisp entry that reveals mandarin and ripe stone fruits, before a long elegant minerality to finish."

5 Stars & 94/100 Sam Kim, Wine Orbit, September 2024 (2023 Vintage)

"It's finely scented on the nose, showing white flesh nectarine, lemon peel, crunchy apple and green tea nuances, followed by an elegantly weighted palate delivering excellent focus and liner mouthfeel. Brightly expressed with a long, mouth-watering finish. Style: Dry. At its best: now to 2031."

92/100 Cameron Douglas MS, September 2024 (2023 Vintage)

"Floral and fruity, lifted and precise, varietal and engaging bouquet of fresh red apple, quince and pear. There's a stony cool

minerality that precedes the scent of lemon peel. Delicious on the palate with a sherbet, apple, honeysuckle and citrus flavour profile. Dry to just dry with a backbone of acidity, a silky touch and lengthy even finish. Best drinking from day of purchase through 2030."

90/100 David Walker Bell, WineFolio.co.nz (2023 Vintage)

"A Central Otago Riesling named as a tribute to the gold miners who worked the quartz reefs and were nicknamed 'reefers'. A pale lemon-green colour in the glass. Varietal scents of crisp apple, ginger, lychee, mandarin, honeydew melon and jasmine. On the cusp of dry to off-dry on the palate, where the ripe fruit meets a sliver of residual sugar and brisk acidity, creating great tension and energy. A stony minerality flows around the edges, and a pithy prickle pricks the tongue. Towards the finish there's also a cosset of creamy texture that gives balance and smooths out the persistent finale."
