### TASTING NOTES

# VINO FINO

Explore a World of Wine

Beaumont has become a Vino Fino favourite over the past few years, offering great taste and value and previous releases have also featured highly in Cuisine (it was rated Number 1 in 2018). For those of us who rate taste over image, the Beaumont is a 'must-buy' for upcoming celebrations and festive enjoyment. Harmonious and fresh with poised, creamy bubbles, the Beaumont (made by the experts from Laurent-Perrier) is a total charmer. It is perfect for aperitifs, with a subtle spectrum of nut and toasty notes rounded out by poached pear and apple flavours.

Originally founded by the Beaumont family in 1878 in Épernay, the house fostered a loyal clientele particularly amongst restaurateurs in France and Belgium. A century later Beaumont was sold and then sold once more in 2004. Although the house has changed hands twice in the last 40 years the transition has been powerfully positive as its production now sits under the watchful eye of the talented Laurent Perrier winemaking team."

## **5 Stars, Top 10 & Best Buy Cuisine Champagne Tasting, October 2022 (NV)**

"A skillfully made Champagne with white blossoms and creamy notes present with nice intensity on the nose. The palate is well polished and creamy with citrus pith, toasty notes and great depth of flavour culminating in a long juicy finish. Fantastic value."
