TASTING NOTES

An incredible price on proper Vintage Champagne! Super-elegant with a fine texture and light, balanced breadiness and minerality: this is Vintage Champagne for cheaper than Non-Vintage! Gorgeous.

4 Stars & Best Buy Cuisine Champagne Tasting, October 2021 (2013 Vintage)

"Light and bright on the nose with flinty sulphide notes that intrigues. The palate is crisp with taut linear acidity, fantastic palate weight, an earthy mushroom tertiary character that adds to the overall character of the wine."
