TASTING NOTES

Brewery Notes

"Pastor of Muppets 2 Mt Eden Prison Hooch was made on the corner of Dominion Road and Charles St, a good 2.1km from Mount Eden Correctional Facility. But we are sure that some hooch is likely made at that site (don't want to blow our horns, but it is probably not as good as this stuff). We have taken loads of New Zealand's finest hops. Nelson Sauvín, Motueka and Riwaka give Gooseberry, Orange, Lime and Tropical Vibes."
