TASTING NOTES

Winery notes (2019 Vintage)

"A rich, soft California Cabernet Sauvignon blended with dark, brooding, and structured Cabernet Sauvignon from Washington State. A gorgeous blend that's all its own and more complex than its parts.

When he was 22, Charles Bieler finished school early, painted a 1965 Cadillac Deville pink, and drove it straight into a wine industry he knew nothing about. For two years he lived out of his Caddy, touring the country and selling his father's rosé out of the trunk. Over 20 years later, and he still runs on that same passion and hustle. Born to Run is the culmination of this journey.

Bieler Family Born to Run is the culmination of Charles' last 20 years - piecing together his origin story and tradition-bending blend of two states where he's been producing wine for a decade-plus each. He had always remarked that the black fruit and structure of Washington Cabernet Sauvignon would be well complimented by the softer, lush, red fruit profile from California. Cross-state blending is rarely done in a quality way, but Charles is un-deterred.

This Cabernet Sauvignon is 100% American: 50% from the Columbia Valley in Washington State, 50% from California. The Washington State vineyards are located on the edge of Red Mountain in Columbia Valley - this sundrenched climate provides both the structure and finesse of the Old World, with the succulent ripe flavours of the New World. The Washington State fruit

was fermented whole berry, and natively, with the wine was on the skins for 35 days - this allowed the wine to develop impressive density and a chewy structure. California vineyards are older vines on the west side of Lodi on the edge of the Delta, which allows for grapes with ripe fruit flavours, natural acidity and complexity. Our California component, which was aged in some oak after a traditional fermentation, is quite soft and luscious."

5 Stars & 93/100 Sam Kim, Wine Orbit, March 2024 (2019 Vintage)

"Sweetly ripe and inviting, the wine shows blackcurrant, sweet plum, vanilla and cedar characters with a hint of tobacco. The palate delivers excellent weight and supple texture, beautifully supported by layers of silky tannins, making it harmonious and flavoursome. At its best: now to 2030."

Rated Excellent & 93/100 Cameron Douglas MS, June 2024 (2019 Vintage)

"Ripe and varietal Cabernet with lifted scents of blackberry and mint, dark chocolate and roasted plums, there's plenty of oak with clove and vanilla suggestions along with a moderate wood smoke quality. Plenty of weight and intensity as the wine touches the palate, flavours of blackberry and wood smoke, plum and wood spices then a warming alcohol. Tannins have a firmness accentuated by the acid line, overall a lovely example with ripeness, intensity and complexity. Best drinking from 2025 through 2033+."
