TASTING NOTES

"In a land famed for Sauvignon Blanc, making Austria's Grüner Veltliner was a quiet rebellion. Drawn to its sharp wit and spicy character, we wanted to see how its alpine soul would develop a Marlborough accent. This wine is the result—a brave expression of a new identity." - Brave Roots

Winery notes (2024 Vintage)

"White blossom, crisp green apple, a bright spark of white pepper, fresh lime and lemon zest. Pure, fresh and vibrant - a true reflection of Marlborough. Food pairing: sushi, green mussels, oysters, chicken, light cheese board and salads."

Rated Excellent & 94/100 Cameron Douglas MS, July 2025 (2024 Vintage)

"An enticing bouquet with scents of white pineapple, radish and citrus fruits. There's a distinctive layer of mineral and spice then white blossom and clay. Equally distinctive on the palate with a core varietal signature of radish and apple, citrus and white spice. Gently herbaceous, very fresh and taut with a backbone of acidity and length. No oak to speak of. Well made with best drinking from late 2025 through 2033."
