TASTING NOTES

Trophy for Best New Zealand London Dry Gin - World Gin Awards 2022
Double Gold Medal - New Zealand Spirits Awards 2020

drinksbiz Magazine, October 2020

"Master Distiller Joerg Henkenhaf first released Broken Heart gin several years ago following the death of a close friend and fellow Master Distiller, with whom he had first created it. The pair, both from Germany, had wanted to create a gin that captured the essence of their new homeland. Since then, Broken Heart Spirits has grown to include new gins, as well as a spiced rum, and vodka.

This London Dry gin blends 11 botanicals, combining piney juniper with floral notes from South Island lavender, earthy Nelson-grown hops and malt, and spicy notes from pimento and ginger, alongside angelica. Awarded Double Gold at the NZ Spirits Awards 2020."
