TASTING NOTES

Pollen is a wonderfully named and very tasty 50/50 blend of Chardonnay and Riesling that just works! This is the third release of this wine and is the best iteration to date. It really is like having the best of both world's in your glass, and it's wines like this that makes us wonder why we don't see more white blends around the place!

Winery notes (2023 Vintage)

"We're Lauren and Jim! We've collectively worked across the beer, wine, hop, and malt industries for 10+ years and have now landed in the rich fruit basket that is Nelson, Aotearoa New Zealand. We farm our own organic vineyard with biodynamic practices and make minimal intervention wine.

White Blend. Made from direct pressed 50% Chardonnay and 50% Riesling. Barrel fermented and aged in large format neutral oak barrels. This cuvee expresses the salinity, acidity, and texture typical of dense Moutere clay soils."
