TASTING NOTES

Winery notes (NV)

"Brambles rose this year is a blend of Pinot Noir rose, some carbonic some direct press, and a blend of Syrah and Riesling that were co fermented to produce a party on ones palate. The result is a soft, textural, brightly fruited, low alcohol that is thought provoking but not overbearing. Barrel & Amphora. Bottled August 2023."

93/100 Kasia Sobiesiak, The Wine Front, July 2024 (NV)

"Red fruit core and citrus acid line, the mash-up of red and white grapes works very well here. Blood orange twist and tang, raspberries and leafy bits, savoury, stony finish. It's very refreshing, with substance and character but also an easy drink, smashable so to speak."

David Walker Bell, WineFolio.co.nz, June 2024 (NV)

"Brambles Rosé made with Pinot Noir, Syrah and Riesling. The majority of grapes come from the Luxston Vineyard in the Eyrewell Forest, Oxford. In fact, 80% of the wine is 2023 vintage Pinot Noir, and 20% is 2022 Syrah/Riesling blend from North Canterbury, so it is non-vintage. It has the soft ripe flavours that a rosé needs to deliver, with a teasing tannin and mineral

undertow that makes it interesting. Syrah adds a blueberry muffin note."

Reviews for the 2021 vintage below...

92/100 Mike Bennie, The Wine Front, June 2022 (2021 Vintage)

"It's crisp and sleek at once. A jovial slick and cut of rose, highly perfumed, sweet-sour and pleasingly bitter as a stage for light spice, herbal notes and a pleasing, refreshing grassiness. Delightful rose, lots of fine texture and a good sense of refreshment factor. Go forth!"
