TASTING NOTES

Winery notes (2022 Vintage)

"This is our second edition of Bianco. A wine inspired by beautiful simplicity with the intention of matching a diverse array of summer foods without complication.

Made in our house style of simply fermented organic juice with nothing added or taken away. Bottled unfiltered and alive. This edition sees a component of skin soaked Sauvignon Blanc for flavour density, and the gift of Chardonnay to de-tune the fruitful nature of Sauv. Enjoy simply with good food and great friends this summer or next!"

Best drinking from day or purchase through 2027+."

More citrus, plus oatmeal and almond into the palate. A delicious nip of phenolics and plenty of energy flow through the palate. Some weight and density here, with a gravelly
