TASTING NOTES

World's Best Pale American-Style Pale Ale - World Beer Awards 2021

Brewery Notes

"This delightfully fruity, aromatic beer gets its lead from the abundance of USA hops. A top fermented ale style, the tropical fruit salad and passionfruit flavours give way to a soft clean bitter finish. A very well balanced beer. Awarded the title, World's Best Pale - American style Pale Ale at the 2021 World Beer Awards."
