TASTING NOTES

Brewery Notes

"Brewed on the banks of the Heathcote River in Woolston, Cassels Woolston Pale Ale is a traditional Pale Ale with distinctive New Zealand characteristics. This beer offers a combination of punchy hop flavours balanced out by a trio of malts. Late hopping with Nelson Sauvignon and Motueka varieties brings fruity, wine-like aromas to sit on top of the lightly toasted malt base. Rich and rounded with a smooth mouthfeel - tastes just like home to us."
