TASTING NOTES

Whispering Angel is without doubt the most iconic Provence rosé on the planet and its producer Château d'Esclans sets the benchmark for the entire category.

Winery notes (2024 Vintage)

"As a negociant and vinificateur (winery), Caves d'esclans identifies vineyards, grapes and wines from château d'esclans as well as local growers to make what has reputedly become the world's greatest rosé. As our objective is to obtain the best quality grapes and wines, we have created relationships with the local grape growers, committed beside Caves d'esclans, whose vineyards are treated with the same high standards of quality as are the vineyards of Château d'esclans.

Made from Grenache, Cinsault and Rolle (Vermentino) grapes, its pale color is pleasing to the eye and draws one in. The rewarding taste profile is full and lush while being bone dry with a smooth finish. A blend of the best free run juices and press juices, fermented and aged in stainless steel with temperature control.

Whispering Angel rosé has a Fresh red berry fruit characteristics with floral notes. Ripe and fleshy feel on the palate. This popular rosé wine has great concentration, a smooth and round finish and no astringent aftertaste."

92/100 James Suckling (2024 Vintage)

"A well-rounded, focused and delicious rosé showing dried raspberries, frozen strawberries and mild spices on the nose. Medium-bodied with bright acidity. Balanced and driven, with a lively centre palate and a persistent, flavourful finish."
