TASTING NOTES

Distillery notes

"Pink Grapefruit & Pomelo Gin is crafted by copper pot distilling GB Gin with a bounty of pink grapefruit and pomelo peels. This zippy and zesty gin mixes perfectly with tonic and should be garnished with a fleshy wedge of pink grapefruit "

drinksbiz Magazine, October 2020

"A single estate distillery and working farm in England's Herefordshire, Chase Distillery makes its own base spirit for its vodka and gins from potatoes grown on site. The distillery was established by potato farmer William Chase, who made his first vodka in 2008.

Fresh citrus flavours from the peels of pomelo and pink grapefruit are combined with Chase's GB Extra Dry Gin. A floral, zesty gin with intense tartness on the palate, fresh grapefruit peel flavour and subtle juniper"
