TASTING NOTES

Tracing their roots back to 1877 outside Laurens in the Faugères region, Château Grézan first come to prominence in the 1970s and their wines today express the very essence of Faugères wines and Languedoc appellations.

This gorgeous rosé from the Faugères appellation is a blend of Grenache and Syrah and has aromas of wild strawberry and pomegranate. The Grenache brings lightness and the Syrah delivers a great persistency in the mouth. Aromas of white fruits & peach abound in this outstanding and excellent value for money wine.
