TASTING NOTES

Château Peymouton 2022 is a beautifully balanced and elegant Saint-Émilion Grand Cru, with bright fruit, refined tannins, and a touch of earthy complexity. A superb wine that showcases the best of the vintage and terroir. An exceptional Saint-Émilion Grand Cru.

Situated within the historic estate of Château Laroque, Château Peymouton showcases the elegance of Saint-Émilion Grand Cru. Established in 1996 from 31 hectares of high-altitude vineyards, its soils—rich clay over limestone and deep red clay—lend structure, density, and refinement to its wines.

Managed with the same expertise and attention to detail as its Grand Cru Classé counterpart, Château Peymouton blends Merlot, Cabernet Franc, and Cabernet Sauvignon. Harvested parcel by parcel for optimal ripeness, the wines are crafted to highlight vibrant fruit and freshness. The result is a wine that embodies the historic terroir's charm and can be enjoyed after just a few years of cellaring.

Reviews for the 2021 vintage below...

91/100 Jeb Dunnock (2021 Vintage)

"The vivid ruby/purple-hued 2021 Château Peymouton offers up a classic 2021 bouquet of juicy red and blue berry fruits as well as sappy herbs and flower notes. Medium-bodied on the palate, it has soft, supple tannins, a real sense of purity and juicy fruit, and a clean finish. It should drink nicely right out of the gate and is a charming, elegant wine in the making."
