TASTING NOTES

Château Villefranche is recognised as one of the oldest wine estates in the Sauternes region. It has been in the Guinabert family since the mid XVII century. The estate extends over to the Haut-Barsac plateau with its rich argilo-calcareous soil types.

While most of the white wine grapes for Villefranche go into their Sauternes, a small portion of the vineyard has been found to be more suitable for dry white wines. Highly aromatic, textured and fruity, this is great white Bordeaux.
