TASTING NOTES

Brewery notes

"This series is all about celebrating how we are all so different yet still the same, our ode to complementary opposites! Yin and Yang. It's a flavour journey, crafting our Hero Hop into a deliciously dank West Coast IPA and a juicy fruity East Coast IPA. Bursting with notes of ripe mango, pineapple & citrus, it offers a smooth, creamy mouthfeel with a balanced hop bitterness. A refreshing, full bodied, thicker mouthfeel experience that captivates it's you with every sip!"
