TASTING NOTES

Some wines don't need medals or glowing reviews to build a loyal following, and Clearview's Black Reef Blush is a perfect example! This Hawke's Bay classic has become something of a cult favourite in the North Island, particularly at Clearview's hugely popular cellar door in Te Awanga, where it practically flies out the door. Yet down here in the South Island, it remains something of an undiscovered gem.

Well, we're hoping to change that, and what better way than with **one of the sharpest prices in the country at just $18.99!** A fantastic opportunity to discover what all the fuss is about.

Made from a blend of Merlot, Malbec and the lesser known Chambourcin grape, Black Reef Blush is a little different from your typical pale, delicate Rosé. Bursting with juicy summer berries, ripe cherries and a hint of spice, there's a lovely richness and savoury complexity that gives it real personality. Fresh, fruity and dangerously easy to drink, it's equally at home alongside a summer barbecue or simply enjoyed chilled in the afternoon sun. One taste and you'll understand why our friends up north can't get enough of it!

Winery notes (2025 Vintage)
"Our Blush is a multi-varietal blend of 100% Hawke’s Bay fruit including the teinturier contribution of Chambourcin | select parcels of whole berries are skin soaked before being gently pressed & cold settled | clean juice is carefully racked off solids

for fermentation | component wines are blended to achieve crisp, summer sweet red fruit combinations."
