TASTING NOTES

Craggy's answer to Chardonnay from Chablis: not too heavily oaked and cooler on the palate, with a sophisticated mineral focus.

Winery notes (2024 Vintage)

"A cool, late winter delayed bud break, followed by a mild spring with winds that reduced yields. A warm, dry summer led to extended hang time. It was an iconic season, resulting in a concentrated yet fresh outcome.

Aromas of fleshy peaches and crisp pears with fresh citrus notes of lemon and mandarin, lay amongst hints of blossom, thistle and subtle oak sweetness. These aromas carry to the palate where they are harmonised by the delicious salinity, chalky texture and fresh acidity distinctive of its coastal site. This wine pairs perfectly with seafood, fresh pasta and summery salads."

peach and lemon curd. Lightly oaked, with just a hint of almond and breadcrumbs adding warmth to the medium-bodied palate. Acidity is linear and threaded throughout, carrying the mouth-watering sensation into a chalky finish of some finesse."

Joelle Thomson, drinksbiz Magazine, April/May 2024 (2022 Vintage)

"The evocatively named Kidnapper's Chardonnay takes its name from Hawke's Bay's dramatic headland of Cape Kidnappers. It is made with grapes grown at Te Awanga, where the cool coastal breezes enhance Chardonnay's acidity and fresh flavours, translating here to a medium-bodied, crisp style with ripe peach aromas and complex layered aromas of cedar and spice."

94/100 Jamie Goode, WineAnorak.com, August 2024 (2022 Vintage)

"Located in Te Awanga near the coast. This is bright and energetic with pear and green apple, as well as some citrus pith notes. Nice dynamic range with lemony brightness, good acidity, but also some mid-palate richness showing a touch of peachy fruit. Rounded finish. Give this time."
