TASTING NOTES

A deliciously fresh and value-focussed white made by Rioja masters, Cvne. Sourced in their Rueda holdings, this single varietal Verdejo is fermented in stainless steel to make the perfect Spanish seafood or aperitif wine.

Winery notes (2022 Vintage)

"Cune Rueda is a young white wine made from Verdejo grapes. After pressing, the must is transferred to stainless steel tanks, where it is fermented at controlled temperatures to bring out and preserve the primary, fruity and floral aromas characteristic of the variety."
