TASTING NOTES

Winery notes (2022 Vintage)

"Since 1934 and for over four generations, the family has specialised in producing wines that are noted for their sense of place, purity and balance. With this in mind, they carry out sustainable vine growing practices and traditional winemaking methods to achieve wines that represent them as well as their vineyards.

Our Estate Carmenère 2022 is presented with an intense violet colour and aromatic notes of black fruits, pepper and spices. On the palate it is ripe with a soft and enveloping texture but always retaining a fresh acidity and soft tannins avoiding any hint of greenery. A wine of great typicality that shows an intense and refreshing style."

91/100 James Suckling (2022 Vintage)

"A plush and creamy Carménère with black cherries, raspberries, chocolate orange, black beans and vanilla on the nose. Full-bodied, deeply coloured and fruit-forward with a lovely softness."
