TASTING NOTES

Gold Medal - Hawkes Bay Wine Awards 2025

Winery notes (2022 Vintage)

"A complex but fruity nose leads with white peach, green apple, and a hint of cinnamon spice. The palate is firm with plenty of fresh pear and crisp lemon tart with a long mineral core. While the fruit is opulent, it also has firm acidity with a lengthy finish resulting in a wine that will drink well young but age for many years to come."

Number 1 & 5 Stars Cuisine Other Whites Tasting, March 2026 (2024 Vintage)

"...A single smell or sip and you can see why with beautiful precise aromatics of apple, quince and toast with a reductive character that is borderline seductive and lures you into the glass. The complex palate has a thread of sweet fruit in great concentration and well-handled oak that serves to enhance the structure of the wine. The acidity present is juicy and long and drives the wine through to the finish which is long and luxurious, sophisticated and delicious. A mere glass of this wine is quite the imbibing experience, so imagine what the entire bottle shared with friends could do."

5 Stars & 95/100 Stephen Wong MW, The Real Review, December 2025 (2024 Vintage)

"Clouds of lemon, honey and ginger unfurl across the nose of this softly perfumed chenin blanc. An ethereal and subtly persistent, off-dry rendition of the variety, this keeps drawing you back for more despite being very light on its feet. Beautifully balanced, the acidity never dominates, letting the wine's perfumed personality take centre-stage. A sensitively made, deliciously fine-tuned example."

91/100 Christina Pickard, Wine Enthusiast, January 2026 (2024 Vintage)

"Spiced apple tart with a garnish of lemon peel open this characterful Chenin Blanc, a variety that should be grown more in New Zealand, IMHO. There's a slight reductive, nutty quality here too. A burst of lemony acidity on the palate keeps you salivating, and pithy texture—like orchard fruit seeds—presents food friendly appeal. There's ease and personality here, both wins in my book."
