TASTING NOTES

The vineyards are the largest of the northern Rhône appellations. They cover 11 communes in the Drôme “département”, on the left bank of the river Rhône. Syrah (an addition of up to 15% of Marsanne or Roussanne is allowed). The colour is a deep garnet red. The nose is essentially fruity, with strong aromas of cassis and plums, a touch of violets. This is an ample, well-rounded wine that has sufficient tannins for ageing capacity.

Winery notes (2023 Vintage)
"The Les Launes cuvée draws its character from some of the finest vineyard sites in Crozes-Hermitage, where Syrah thrives on terraces of rounded pebbles, remnants of the last glacial period, intermingled with deep, fertile clay soils. These generous soils, endowed with excellent water-retention capacity and combined with a mild climate, provide ideal conditions for producing a Syrah that is expressive, generous and beautifully balanced.

Born from a harmonious blend of Northern Rhône terroirs, this 100% Syrah offers a luscious, crisp and lively expression of the varietal. Vibrant red fruit and violet notes promise immediate drinking pleasure."

92/100 Anna-Christina Cabrales, Wine Enthusiast, January 2026 (2023 Vintage)
"A bright nose leads with ripe red bramble, boysenberry, violets, white pepper and broken granite minerality, genuinely inviting from the start. The palate turns more savory, offering baked plum, iodine, saffron and terracotta. Polished tannins and

ample acidity make this an easy match at the table, especially alongside a spice-rubbed rack of lamb."
