### TASTING NOTES

#### Gold Medal - New Zealand International Wine Show 2023

##### Winery notes (2022 Vintage)

"DeMorgenzon, 'the morning sun,' was so named as it is the first part of the Stellenboschkloof valley to see the sun because of its high altitude and aspects. We cover the top southern and eastern slopes of Ribbokkop, overlooking the pinnacle of Kanonkop from where a cannon was fired to alert the farms in the region that a ship had put into Table Bay. The first road from Cape Town to Stellenbosch ran through the Stellenbosch Kloof.

The bright nose displays fine Chenin attributes of floral and citrus aromas. The crisp, refreshing palate has succulence and weight providing a finish with texture and good length.

Sourced almost exclusively from DeMorgenzon's south facing vineyards overlooking False Bay, the vines are managed for optimal exposure to gentle morning sunshine. Granitic soils result in grapes with excellent natural acidity and flavour concentration, a trait further enhanced by our intentionally low yields."

##### Rated Excellent & 93/100 Sam Kim, Wine Orbit, April 2024 (2022 Vintage)

"This wine needs just a few minutes in glass to chillax and open up, when this happens the bouquet is a flourish of white fleshed fruits, flowers, minerality and a fine layer of lees spice. An almost dry wine touches the palate with flavours of fresh apple and quince, the lees spice is accentuated by the backbone of acidity. Medium-weighted with a fine satin texture, mineral and length then fruit flavours and textures repeat. Well made and ready to drink from day of purchase through 2034+."
