TASTING NOTES

Located in Beaumes-de-Venise itself, Domaine de Beaumalric is small estate, owned by Daniel & Isabelle Begouaussel. It spreads out over 30 hectares and 4 communities. Daniel is an ex-co-operateur who started in 1991 with under 10 hectares in total - 7 ha of Muscat, 2 ha of Ventoux, 1 ha of Côtes du Rhône. Daniel is from La Roque-Alric, while Isabelle from Beaumes-de-Venise. Daniel actually started out in 1982, working growing many crops, including table grapes and nursery plants, cherries, apricots, asparagus, melon towards the sandy soils of Aubignan.

The hedonistic super ripe aromas of Muscat leap from the glass. Gorgeous peaches and cream, with floral orange blossom and honeysuckle almost overwhelm you before it finishes fresh, lively and not at all heavy. Equally good as an aperitif or at the finish.
