TASTING NOTES

Domaine des Pothiers are producers of Gamay Noir in the Cote Roannaise, in the north of the Loire. Passed down over several generations, the vines are cultivated biodynamically with the greatest care to produce quality wines. They work with 'Saint Romain' a unique clone of Gamay Noir. The wines are very Burgundian with more savouriness than Beaujolais. "La Colline en Flamme" translates to "the hills are burning".
