TASTING NOTES

Picpoul de Pinet is one of the best-value whites from the south of France. The Domaine Félines Jourdan, based just to the west of Meze near the Bassin de Thau has been in the Jourdan family since 1983. It is Picpoul which has made them famous. The richness and complexity of the wines comes from the diversity of the local soils: clay and chalk, red and gravelly, gravel and quartz.

A deliciously crisp and vibrant wine which shows intense citrus notes on the nose and palate. Its fresh acidity makes this incredibly thirst-quenching, while the gentle minerality and delicate saline note on the finish makes a second glass almost irresistible. This is the perfect match for a plate of fresh oysters, though it will happily sit alongside any other shellfish dishes.

Winery notes (2022 Vintage)

"Gold coloured and shiny, with green shades. On the palate, the typical acidity of Picpoul de Pinet is balanced by the depth and persistence due to the dry summer, perfect for this grape variety. First, the wine is fresh and aromatic, notes of pear and citrus. Then, it develops crystallized lemon, peach and melon aromas which confirm the minerality and freshness. Ample finish with subtle aniseed notes."

91/100 Natalie Earl, Decanter, August 2023 (2022 Vintage)

"You'll struggle to find better value classic Picpoul de Pinet than this racy, refreshing number from Domaine Félines Jourdan."

There's good purity of lemon fruit on the nose, followed by wildflower honey and touches of blossom and oatmeal. The palate is really succulent and tasty, showing sweet ripe fruit and candied lemon peel balanced by salty, wet stones and a hint of wild fennel."
