TASTING NOTES

Domaine Vincent Carême is a distinguished organic winery located in Vernou-sur-Brenne, within the Vouvray appellation of the Loire Valley, France. Established in 1999 by Vincent Carême, a first-generation winemaker from a cereal farming family, the estate has become a leading force in the revitalization of Vouvray wines. Vincent's journey into winemaking began at the age of 14 under his grandfather's guidance, and after completing his viticulture studies, he gained practical experience before founding his own domaine.

Rated Excellent & 93/100 Cameron Douglas MS, August 2022 (2018 Vintage)

"Aromas and baked apple, white peach and white apricot, there's a wet chalky soil mineral layer and white flowers with a fine lees suggestion adding to the complexity. Off-dry on the palate with a lovely acid line for contrast and flavours that reflect the bouquet. The mineral line and baked apple chalky qualities showcase what Vouvray is all about. Great drinking from 2022 through 2028+."

cool-heat. Lots of texture, like the tug of an old silk curtain. And edgy, baobab-tangy mouth-filling acidity. Seville oranges sewing in a fine seam of bitterness, fresh blanched almonds bringing cream and density. Complex, exciting, beautifully balanced, and beautifully refreshing. The perfect pork-roast wine (failing that, a packet of top-quality pork scratchings will do...)."
