TASTING NOTES

Winery notes (2024 Vintage)

"Vintage after vintage, the Collection wines have become symbols which perfectly illustrate the family's ethos of supreme quality. Careful ageing, together with the meticulous attention paid every day by Marcel and Philippe Guigal to the selection and blending processes, bring to the fore the consistency and excellence of the great appellations of the Rhône Valley

A white wine which will seduce thanks to the blend of grape varieties and its qualities which are as numerous as its famous red cousin's! Connoisseurs will recognise the dominant presence of Viognier.

Yellow pale colour, bright and clear. Delicate freshness, surrounded by the typical aromatic expression of Viognier. White flowers, apricot, acacias, and white peach flavours. Fruity wine showing richness and minerality."

5 Stars & 93/100 Sam Kim, Wine Orbit, June 2026 (2024 Vintage)

"Beautifully styled and elegantly expressed, the inviting bouquet shows ripe apricot, rockmelon, lemongrass, and jasmine nuances, followed by a succulent palate that's supple and silky. Harmonious and well-balanced, with a lengthy, soothing finish. At its best: now to 2028. "

Rated Excellent & 93/100 Cameron Douglas MS, June 2026 (2024 Vintage)

"The key to knowing a wine like this is recognising the floral, spice and white fruit combinations that speak first to the Viognier variety at the core. The cepage breakdown is as follows: 60% Viognier, 15% Roussanne, 10% Marsanne, 8 % Clairette, 5% Bourboulenc, 2% Grenache Blanc taking this wine from delicacy to richness as it become ambient. Satin-cream

touches on the palate with medium acidity, plenty of weight, flavours of flowers and delicate spices, fresh white fleshed fruits, honeysuckle and spice. Balanced and well made with best drinking from day of purchase through 2030."

90/100 Yohan Castaing, RobertParker.com, Wine Advocate, May 2026 (2024 Vintage)

"The 2024 Côtes du Rhône Blanc opens with fresh aromas of white fruits, displaying a gourmand profile that leans more toward fruit than a floral nature. Medium-bodied, juicy and round, it's balanced and immediately appealing. Produced in large volumes—around 700,000 bottles—it nonetheless remains one of the Rhône Valley's best values."
