TASTING NOTES

A captivating summer bouquet of citrus peels and red berries, complemented by subtle spicy notes of Provencal herbs, a touch of cinnamon, and wild pine. On the palate, flavours of vineyard peach, juicy apricot, and grapefruit unfold. A fresh, creamy Rosé full of tension and fruity complexity.

Sourced from 150 hectares of vineyards on a chalk plateau at 300 meters above sea level, the cool nights and warm days allow for a prolonged grape ripening, imparting depth of character and fresh aromas. Rigorous temperature controls during the nocturnal harvest ensure the grapes retain their crispness and finesse, resulting in a wine with a vibrant flavour profile. Immerse yourself in the essence of southern French Art de Vivre with every sip!
