TASTING NOTES

Winery notes (2022 Vintage)
"Straw yellow colour with golden edges. Intense aromas of pineapple, apple and pear in perfect harmony with the typical ripening aromas: butter, toast and caramel. Creamy and elegant taste with sufficient freshness and a pleasant aftertaste. An excellent choice with warm fish dishes, white meat and semi-hard cheeses.

The vineyards are located in the protected area of the Jumilla appellation in the province of Murcia. There is a warm climate with more than 3000 hours of sunshine per year, and this is also one of the driest areas in Spain with a maximum of 300l of precipitation per m²/year. The vines are on a sandy soil with large pebbles, low to the ground and have a very low yield maintenance. When the grapes have reached their optimum ripeness, they are harvested by hand at night. Maceration at low temperature to preserve the intense aromas. After fermentation at very low temperature in stainless steel vats, the wine is transferred to oak barrels where it matures for 6 months “sur lie” and develops its creaminess. The grapes are grown organically and no animal products are used during the clarification of the wine, which is why this wine gets the “Vegan” label."
