TASTING NOTES

Gold Medal - New Zealand Spirit Awards 2022

Distillery notes

"Wild-foraged botanicals from Endeavour Inlet are steeped three times to create a clean, nuanced dry gin. Rimu, rata flower, citrus, fennel blossom and wakame capture the deep forested valleys of the Queen Charlotte Sound."

Sarah Miller, drinksbiz Magazine, October/November 2024

"Endeavour Inlet in Queen Charlotte Sound was home to the botanicals in this dry gin, with its floral and herbaceous notes. A contemporary dry gin with rata flower, rimu fronds, honeysuckle enfleurage, fennel blossom, wakame and mafic metavolcanic marine rock in its diverse line-up."
