TASTING NOTES

Brewery notes

"Sit back, close your eyes and feel the warm breeze on your face. Relax on the hammock. Or maybe take a quick dip in the sea. Whatever you want, you got. This tropical hazy is set to take you on a Summer holiday no matter where you're cracking it open. With bursts of fruity flavours in each sip and a label so enticing, your Panama experience will be one you will never forget. So take it easy! You're on Panama time now."
